ASSISTANT GOVERNOR

DATO' JIMMY LIM

MAKES HIS OFFICIAL VISIT

There are many, many events taking place in the district right now – mangrove tree planting, trees for life planting, a right to sight project and the Rotary Club of Kelana Jaya has been invited to take part in most of them.

anniversary dinner of the FOC is fixed for the 15th of October 2010. Most important of all – our District Governor's official visit to the club is on 7th of October. Expecting to see all of you then.

Have a good week.

Shanti Yanasakaran
President

Last week, our AG Jimmy made his official visit. This week, we will be joining other clubs in the Klang Valley to entertain 150 Rotarians from Chennai, India. The Indian Rotarians are here mainly to sign sister club agreements with Rotary clubs in Malaysia.

Please note that the annual spring cleaning of the Free Outpatient Clinic is on the 9th of October 2010. Also, the 16th

MEETING ON 23 SEPTEMBER 2010

Our Assistant Governor, Dato' Jimmy Lim, gave us a short but inspiring speech during his official visit to the club on 23 September.

He said we were a well-organised club. We should also induct more new members. He said it was good we have an on-going project like the Free Outpatient Clinic, which has now been in operation for about 16 years. And AG Jimmy also commented on the medical camp that we do every year together with the Rotary Club of Port Klang.

Dato' Jimmy also said the Group 8 clubs have planned to do a joint project and encouraged the members to take part actively.

AG Jimmy also went through with us the preparation for the District Governor's visit on 7 October. Almost all the documents needed for the visit were already in our handbook. He commended us on our handbook.

Unfortunately, the turnout this week was very poor with only ten members present.

NEWS FROM AROUND THE DISTRICT

Vista for the Right to Sight Project – Rotary Club of Damansara West

Assistant Governor Jimmy Lim has called President Shanti and suggested all the Group 8 clubs treat this as a joint project. She has suggested our club takes on the Jalan Maarof Vista branch in Bangsar. We can send flyers to the nearby Sri Pahang low-cost flats.

SuperMum II Project – Rotary Club of Petaling Jaya

The Rotary Club of Petaling Jaya is commencing its SuperMum II Project which involves sending single mothers for certified training at the Malaysian Baking Institute and thereafter to an entrepreneurial course, My Own Business. The object is to allow single mothers to be independent from salaried-based jobs which mean they are unable to care for their children at home.

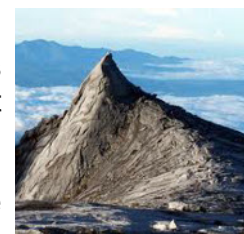

The club is taking in 40 participants with the criteria to be set by the selection committee. They should be poor younger single mothers with young to care for. The bakery course will start on 18 November 2010. For more information, please contact PP Albert Yong – 0192134865.

Building Leaders Bridging Communities Project – Rotary Club of Bandar Utama

RC Bandar Utama is pleased to announce it is organising a 3-day 2-night fellowship holiday for Rotarians and friends of Rotary. The Resorts at Pulau Sibul and Pulau Besar are owned by its honorary member, Tan Sri Sheikh Kadir, and it has secured special rates for Rotarians and friends to come for a relaxing and rejuvenating holiday and also to join the Rotaractors and the youths in Fire of Friendship and Recognition Campfire Nite on 16 October, at Pulau Besar. RC Bandar Utama invites other Rotary clubs to recommend or sponsor their Rotaractors for the programme. The cost is RM100 per pax.

District 3300 Rotary Kinabalu Polio Challenge – Rotary Club of Bandar Utama

RCBU is privileged to organise this Polio Challenge for District 3300. Its New Generations Chairman, Rtn Hock Siew, is an avid sportsman who has climbed Mt Kinabalu, South-East Asia's highest mountain, 57 times.

The club has only 60 places pre-booked for this climb, and it hopes many clubs in the district will participate by sending one representative to the climb and at the same time, participants could use this opportunity to help to raise at least US\$1,000 for the Polio Plus Fund. The closing date for registration is 24 October 2010.

Transfer of Membership

PP Dr Krishna Kumar and PP Pushpa Krishna are now members of the Rotary Club of Titiwangsa. They would like to thank RC Teluk Intan for the support and fellowship they enjoyed while they were members there from December 2005 to August 2010.

OKLAHOMA CLUB MEETS IN A PUB

Working for a politician in Oklahoma, USA, Mark Mann had been to plenty of civic group meetings. So when a friend asked him to consider joining a Rotary club in their town, he was anything but enthusiastic.

"I said, you have to have lost your mind," Mann recalls. But the friend returned a few weeks later insisting that the Rotary Club of Bricktown Oklahoma City was different. "We don't sing, they have great speakers, and they have great community service projects," the friend said. "I tried it out for a couple of weeks and decided it was a good fit for me," says Mann, who is now serving as the club's president.

The Bricktown Oklahoma City club marked its seventh anniversary on 11 September, with more than 60 members and an average age of 35. Mann and past club president Lealon Taylor point to several key ingredients that have helped the club attract and retain young members.

For starters, the club meets in a pub. First-time guests are treated to two free beverages, compliments of the club. "It's important to choose a location that's fun and well known," Taylor says. "We meet in the Bricktown Brewery, which is a local landmark. It's easy to invite your friends to come down to the brewery and have a couple of drinks on the club and learn more."

The club founders also decided on a meeting time of 5:30 p.m. After 15 minutes of social time, Mann says, the club meeting is kept under 45 minutes. Some members go out to dinner together afterward.

"People in their 20s and 30s are not going to get up early to go to a breakfast meeting, in my opinion," Taylor says.

THE 4-WAY TEST
Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
